

1. Public Home Page

The Public Home Page layout consists of a top navigation bar with three buttons: LOGO, Language, and Login. Below this bar are three stacked buttons: REPORT INCIDENT, TRACK CASE, and EMERGENCY HELP. At the bottom is another navigation bar with three buttons: Resources, Hotline, and Support.

2. Incident Reporting Form

The Incident Reporting Form layout includes a top navigation bar with LOGO, Language, and Login buttons. The main form area contains the following elements: Incident Type (dropdown menu), Description (text input), Date (calendar icon) and Location (text input), Upload Evidence (text input with plus icon), and Report Anonymously (checkbox). A Submit Report button is positioned to the right of the Report Anonymously checkbox. At the bottom is a navigation bar with Resources, Hotline, and Support buttons.
